

Insult to the Governor.

Proceedings of a meeting of the Governor's Troops.

At a meeting of the Volunteers, under Gov. Ford, held in the Temple in Nauvoo, on the 17th day of Nov. 1846. Lieut. John Connelly was called to the Chair, and Lieut. L. B. Adams, appointed Secretary.

Major George R. Weber, explained the object of the meeting to be, to furnish an opportunity to the Volunteers to express their feelings, in regard to an insult offered to the troops, and the people of Illinois, through their representative Gov. Ford.

On motion, a committee of seven was appointed to draft a preamble and resolutions, expressive of the sense of the volunteers, consisting of Major G. R. Weber, Lieut. Connelly, Doctor McDonald, Capt. Jackson, Lieut. Diller, Lieut. Adams and Capt. Haskett.

The committee having retired for an hour, reported the following resolutions, to wit:

Whereas, a Committee of ten females, (professing to represent the ladies of Hancock county,) employed no doubt, by a set of cowardly ruffians, who have been rioting upon the plunder, stolen during the excitement, in this county, have this day waited upon the encampment, and sent in a package addressed to Gov. Ford, Commander in chief of the Militia of Illinois, for the purpose of throwing odium upon the public authorities of the State; and whereas, previous to the arrival of Gov. Ford and his little force in this county, a miserable gang of some twenty ragged vagabonds, who seek to rule this unfortunate county, threatened vengeance upon the Governor, and any force he might bring; and who have since our arrival been too cowardly to lift their blood stained hands against any one, and are compelled to see the victims of their hellish malice and violence, restored from banishment with their wives and children, to their homes and firesides; it becomes such a gang of cowardly thieves and porridge peddlers, to prostitute female character, by using their wives and daughters, through whom to throw contempt upon the authorities of the State; and whereas Gov. Ford, in spite of all the threats of assassination by this gang of guilty wretches, has showed himself to be fearless, and on several occasions, pressed into danger, against the strongest remonstrances of his officers,

Resolved, that we it resolved, that we regard Gov. Ford as a brave man, and that his fearless and gentlemanly conduct, to the troops and to the citizens of Hancock county, is deserving, in whole or in part, the insult this day offered.

Resolved, that the friends of the females composing said committee (if it be not doing injustice to the ladies of Hancock county to call them a committee) are too cowardly to come forward and avow to any of Gov. Ford's troops as individuals their approval of such conduct. They dare not do it!!!

Resolved, that if justice could have its course in this county the few vagabonds who carry the stamp of infamy in their countenances, and who are living upon other people's property, and seek to keep up a state of anarchy in this much abused county, to gratify their thieving propensities, would soon become the blackest and basest inmates of the penitentiary, or the most perfect ornaments of the scaffold.

Resolved, that an insult has been offered the ladies of Hancock county, by this base attempt of a few miserable creatures to palm themselves off, as "a committee of the Anti-Mormon ladies of Hancock county."

Resolved, that we believe and are assured, that but a very few of the Anti-Mormons will countenance such infamy. The resolutions, being read, were unanimously adopted, and three loud cheers were given for Governor Ford, and the Constitution and the laws of the State.

On motion of Major Weber it was resolved, that a committee of three negroes carry the petition without the Camp and burn it to ashes.

Resolved, that the proceedings of this meeting be published in all the law and order papers in Illinois.

John Connelly, Pres't.

L. B. Adams, Sec'y.

CAPTURE OF A MEXICAN BRIG-OF-WAR. From a letter published in the city of Mexico, it appears that the Mexican brig-of-war Maleck-Abdel, was captured in the port of Mazatlan by one of our vessels, supposed to be the sloop of war Warren. The Warren being outside, dispatched five launches, well armed, to capture the Mexicans then at anchor in the bay.

The officers and crew on board the brig unprepared for an attack, took to their boats in great confusion on the appearance of the Americans. Two officers named Zerega and Cillio, and several sailors were taken prisoners.

The moment the "Yankees" found themselves master of the vessel, they cut her cables and made sail for the frigate.

DIED.

In this village, on the 15th inst., George Albert, infant son of William and Eliza Noyes, aged 2 months.

Dr. A. Turner,

Would respectfully announce to that unfortunate class of community who are laboring under **Diseased Eyes**, that he has located in the village of Plainfield, and is prepared by his new and unique method of treatment, to take charge of, and cure, all such cases of Ophthalmia as have been hitherto regarded incurable.

Those who have suffer from the judgment of their Physicians; or the great length of time they have suffered, regarded themselves as doomed to perpetual pain or darkness, may take new courage, in view of the unparalleled success attending that particular mode of treatment of the Eye adopted by Dr. TURNER; and only in use by three others in the United States.

Dr. T. will also attend to the wants of the public in the treatment of female diseases, and especially that distressing malady, called hemorrhoids or piles, which are treated on scientific totematic principles.

Dr. T. received his education in one of the best medical colleges in the United States, and is also familiar with the latest hospital practice; and therefore felt fully prepared to exercise his professional skill upon scientific principles.

In treatment of the Eye, no fee will be taken unless an improvement is experienced.
